PACKAGING LINE

COMPLETE PACKAGING LINE SUPPLIED BY PRECI SRL

Preci Srl enters the Cypriot market with a state-of-the-art salt packaging line, to pack dry, free flowing fine and coarse table salt into rigid containers.

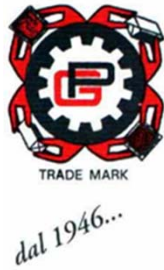

The full line integration, completely project managed by Preci Srl consists of:

N.1 Automatic continuous motion, ATOLLO RS8 TP4 dosing, filling and capping machine, fitted with a rotary 8-cup volumetric filler and capper to handle 3 sizes.

Simple and quick size changeover facilities and easy parts removal for cleaning.
